

Date and location

ORIGINALITY LETTER

I hereby indicate that my paper:

is original and unpublished, I made sure to comply with the correct citation of all sources that were used for the creation of the same, I am aware that, if plagiarism is detected at any time during the reception, review, publication and post-publication process, my paper may be retracted and/or removed from the journal *Tecnología y ciencias del agua*. In addition, this paper is not under process in any other journal for possible publication nor will I be able to submit it to any other journal while the process in *Tecnología y ciencias del agua* is still active or, if it occurs, after it is accepted for publication. If I violate this, I accept the academic and professional implications that will follow.
